

THE AAHM IS CLOSED
MARCH 17, 2020 – APRIL 10, 2020
To THE PUBLIC

As the situation with coronavirus (COVID-19) continues to develop, our entire board is concerned about your well-being as well as the well-being of the workers and volunteers at the AAHM. Nothing is more important than your health and safety, and the need to protect those most vulnerable to the coronavirus.

We are taking necessary steps to minimize health risks to our volunteers, our visitors and our community, by temporarily closing the Museum to the public until April 10, 2020. Before April 10 2020, the board will meet again to reassess the situation with the coronavirus and keep you posted.

We have postponed the opening of the Negro League Baseball Exhibit until further notice. The opening of all other exhibits previously scheduled will also be evaluated prior to its scheduled opening. We are very optimistic and do plan on holding our Annual Fundraising Gala on October 29, 2020.

Please visit our website at www.spiaahm.org on a regular basis to for updates on our status. You may also call the Museum at 217-391-6323 for our phone will be checked regularly for messages. Remember that we are one community working for the betterment of each other during this pandemic. Take care of yourself, be safe and conscientious of your surroundings when you go out.
